2. AILICH and AIPUMP have been actively engaged with the WEDNESDAY Operation. Their activities are covered by the WEDNESDAY reports.
3. The activities of AIRBLOWN along with RNDOLLAR will be covered by the reporting of the OBSIDIOUS Operation.
4. AIRWISE and AIRBORNE were moved to the island of Tinos on 4 June. This move was arranged in order to remove the men from the "Annapolis" safehouse so it could be vacated. Both men will be brought back to the Athens area in July.
5. RNORDAIN and AIRSLACK are still living in Athens. On 1 June, during a meeting at the "Cave," the men requested summer clothing from C J. They were authorized to make their own purchases up to a 600 drachmae limit. They subsequently submitted receipts for these purchases and were re-imbursed.
6. The men were last contacted on 30 June at the "Cave" when they were passed their salaries for June. RNORDAIN was told to keep in close contact with the office.
7. AIRWAY has telephoned this office at regular intervals and C J has met with him on several occasions. On 30 June, AIRWAY also requested summer clothing. In answer to C J queries, AIRWAY reported no undue curiosity about AIRBLOWN's absence from the local scene.
